How to use Beanstack

Beanstack is a web and mobile application used to track independent reading time and help build a culture of reading in school and at home.

1. Click on the **Beanstack icon** in Launchpad. *Beanstack is also a free app available for phones or other devices.	2. Select your **Reader Profile,** which should be your name**.**	3. Choose the **Challenge**. (The icon will differ depending on the monthly or seasonal reading challenge.)	4. Click the **Log Reading** in the top left-hand corner (this screen will differ based on the current reading challenge).	5. Click the **Log Minutes** button.	6. **Log your reading** by selecting the date, filling in the form, and then clicking Log at the bottom. 7. Scroll down to see the **Log Reading** icon.
